

The Village at Nags Head Property Owners' Association Parking Policy

Owners of lots and their guests, both paying and non-paying, shall not be permitted to park boats, jet skis, trailers, campers, recreational vehicles, unlicensed or junk vehicles and all similar property on the streets of the development, in their driveway or on their yards; and such property shall be parked in a closed garage or completely under roof in a carport on the owners lot. Vehicles which are not properly licensed and inspected are not permitted to be parked within the development. No major repairs or body work may be performed on any vehicle within the development.

No Boat or trailer should be stored at the South Sound Access unless the boat is able to be launched from the access. This site is suitable for day sailors, kayaks, and canoes. The only trailers that are permitted at the access are those for boats being used at the access. No trailers are to be stored on their own at the access unless the boat is in use at or moored at the access. The Storage of trailers for boats larger than those that can be launched at the access is not permitted.
